

## Virginia Film Festival

# 2019 Production Coordinator

The VAFF's Production Coordinator serves as the main point of contact for the Festival's technical staff and screening venues, coordinating audio-visual and technical logistics leading up to and during the Virginia Film Festival. This position is a pivotal member of the Festival core staff; will be included in all general staff, senior staff, and programming team meetings; and will be expected to represent the Festival to the University and local communities, as well as to industry guests with the utmost professionalism.

The Production Coordinator will report directly to the Operations Manager, and dates of employment will run from August 19, 2019 to approximately two weeks after the Festival ends on November 8, 2019. The position will work 40+ hours per week. This position will be hired through UVA temp services and paid an hourly rate to be informed by the individual's experience.

### Areas of responsibility include:

#### Film Booking and Trafficking:

- Assist the Operations Manager in booking the films selected by the Programmer and Festival Director
- Work to ensure proper handling of all physical film copies to minimize the VAFF's liability
- Manage inbound and outbound print traffic. Print trafficking is the shipping and movement of films between festivals, distributors, and venues.
- Maintain a database of all films booked, to include shipping details, rental & payment terms, distributor & filmmaker contact information, etc.

#### Technical Coordination:

- Support the Operations Manager and Technical Director in communicating any event-related AV needs and any potential troubleshooting before, during, and after events with AV vendors and technicians.
- Compile and manage full technical specifications and information for each film to be screened
- Produce technical venue scripts for all projectionists, technical coordinators, and house managers at every screening venue
- Coordinate technical information and needs for all screenings with venue and technical staff, as well as contracted vendors
- Coordinate the delivery and installation of exhibition equipment and media objects to the proper venues as scheduled

#### Program and Website:

- Coordinate the formatting and uploading of the 2019 program of films to the VAFF's website to include screening time, date, and venue; film synopses; still images; ticket prices and purchase links; etc.
- Assist in writing and editing content for the printed Festival Program and website

#### Intern Oversight and Budget Tracking:

- Work with UVA student interns to coordinate the film tracking process, draft technical scripts, and write promotional copy
- Track production-related expenses in real-time

#### Other duties may include but are not limited to:

- Assist with marketing and publicity of VAFF films and events
- General office coordination and administrative support

- Help to execute special events, to include parties, press events, volunteer trainings, Family Day, etc.
